For Immediate Release:

January 15, 2021

Dear McFarland USD Students, Families, & Guardians,

Due to the rise in COVID-19 cases and limited ICU capacity in our region, McFarland Unified will ***not*** restart in-person instruction on January 25th, 2021. Students will remain on Distance Learning with their current schedule of classes.

We will continue to work closely with the Kern County Superintendent of Schools Office and Kern County Public Health Department to monitor the number of COVID-19 cases and are committed to bringing students back to in-person instruction when it is safe to do so.

The District is devoted to the earliest, safe reopening of our schools, but protecting our community, staff, and students from this virus remains our top priority.

We are still in this together and look forward to seeing you all soon.

Sincerely,

S. Aaron Resendez
Superintendent
