Subject: MHS bus loading zone and student pick up/drop off area on Sherwood Avenue

MHS Parents and Families,

In an effort to improve traffic flow along Sherwood Avenue and provide for the safety of our students, the yellow bus loading zone and student pick up/drop off area will be relocated. **Beginning the week of Monday, May 6th, 2013**, both a yellow loading zone and a green student pick up/drop off area will be located on the south side of Sherwood Avenue, west of Third Street.

No parking will be allowed in the yellow bus loading zone during the hours of 6:00am and 6:00pm, Monday through Friday. This no parking area will be enforced by the McFarland Police Department in order to ensure MHS buses are able to park and load/unload students in a safe area where large buses can park in front of our school.

No parking will be allowed in the green student pick up/drop off area during the hours of 6:00am and 6:00pm. This no parking area will be enforced by the McFarland Police Department in order to ensure students in private cars can pull safely to the curb for loading and unloading students during school hours.

The area on Sherwood Avenue, east of Third Street and the crosswalk will be available for unlimited curbside parking for public use.

Respectfully,

**Ty Bryson
Principal
McFarland High School**
