McFarland, CA 93250

Dear Ms. Schultz:

The Accrediting Commission for Schools, Western Association of Schools and Colleges announces the action taken to grant accreditation to McFarland High School through June 30, 2020 with a two-day mid-cycle review.

This action was taken after a careful study of the Visiting Committee Report, which identified schoolwide critical areas for follow-up that need attention. The mid-cycle review requires a written progress report and a visit by a two-to five-member team. Your progress report should demonstrate that the school has:

- Addressed the critical areas for follow-up through implementation of the school wide action plan.
- Improved student achievement relative to the schoolwide learner outcomes and the academic standards.

Enclosed please find the Mid-cycle Procedures. For additional information and/or assistance, please contact the ACS WASC office.

The Commission is confident that your continuing efforts will facilitate further school improvement and foster student learning.

Sincerely,

Valene Staley, Ed.D.
Commission Chairperson
