Browning Road STEAM Academy School Accountability Report Card Reported Using Data from the 2017-18 School Year Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

School Description

Browning Road STEAM Academy is a kindergarten through fifth grade school located in a predominately agricultural community of McFarland. In addition to regular district financial support, Browning Road STEAM Academy also receives Categorical Aid funding from the following state and federal programs: Federal -- Title I. A high poverty level is documented by the fact that 100% of the students are eligible free or reduced lunches. Currently 294 students are designated EL. These indicators of high need for intervention have targeted BRSA a Program Improvement school for many years. Approximately 499 students are enrolled at Browning Road School. There are 21 self-contained classrooms serving TK-5 students, in addition to one special education K-5 classroom, one pre-school classroom and one state pre-school.

Academy Vision

Browning Road STEAM Academy is committed to engage, inspire, and empower a community of student learners to think critically in a STEAM learning environment that ensures each student achieves intellectual and personal excellence.

Academy Mission

We believe in our responsibility to partner with parents, businesses and integral stakeholders to provide students the opportunity to explore a diverse curriculum, bring service to a growing community, participate in character education and integrate 21st century skills in all content areas.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: August 2015

Every student in Browning Road School has a textbook for Reading, Math, Social Science, Science and all identified EL students has a textbook for English Language Development. Textbooks are adopted in accordance with the state's timeframe and standards. Other additional supplemental materials are either teacher developed, purchased along with the textbook adoption or through teacher lottery money. Instructional material is usually purchased through categorical funds, depending on the availability of funds.

^{*} Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
Subject	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	20.0	17.0	27.0	31.0	48.0	50.0
Mathematics (grades 3-8 and 11)	16.0	10.0	19.0	19.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Students Receiving Migrant Education Services	15	15	100.00	13.33

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Browning Road STEAM Academy has several opportunities for parent involvement. Throughout the year, there are several activities in which parents may participate. Below are a few activities, events and opportunities that we provide for parental involvement:

Yearly Parental Involvement Activities:

- Back to School Night -- This is an opportunity for teachers to share with parents their expectations, rules, procedures, curriculum and grade level standards for their child's grade level.
- Parent Conferences -- At the end of the first quarter, staff set up appointments with every students' parents in their class to review their child's report card, share their child's work, address academic/behavior concerns with parents and answer/respond to any questions/concerns that parents may have for the teacher, concerning their child. During the 3rd quarter, teachers and counselor meet with the parents of students who are risk of failing or are below grade level.
- Lunch with Your Child Day (LWYCD) Parents are invited to have lunch with their child 2 times a year during their child's lunch time.
- School Site Council meetings -- The school site council is represented by parents, certificated and classified staff. On a bimonthly basis, parents and staff are elected by their peers to represent the school in providing recommendations to the school site council members when it comes to programs offered to students and approval of the categorical school site budget.
- Parent Partners 9 week academic course to empower parents.
- Parent Workshops: Literacy Night/ Mathematics Night
- Quarterly Awards Assembly -- At the end of each quarter, Kindergarten and 1st 5th grade students are recognized for academic achievement and improvement, as well as for perfect attendance.

- Christmas Program -- Each Christmas, students perform Christmas songs for their peers and parents just before the Winter break
- Christmas Parade -- Parents, teachers and administration join together to participate in the annual McFarland Christmas parade.
- Canned Food Drive -- During Thanksgiving and Christmas, parents are asked to participate in a canned food drive to provide baskets for underprivileged families in the communities.
- Toys For Tots- Browning Road parents and students are galvanized to collect money and toys for the less fortunate.
- Signatures Fund Raiser -- Twice each year, in the Fall and Spring, the student body has a fund raiser to raise money for school activities, field trips, and/or end of year activities.
- Open House/Spring Festival -- Staff work together in providing a small carnival to invite families and community members for some fun and games, while raising money for student body.
- End of the Year Awards Assembly -- At the end of the year, staff recognize their students for outstanding academic accomplishments and perfect attendance.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

School Safety Plan (School Year 2018-19)

Browning Road STEAM Academy's first priority is safety. In order to promote safety, BRSA has created a revised set of school rules and has implemented a set of shared values and manners, which all BR members have adopted. BRSA has also implemented a zero tolerance policy for horseplay, which has decreased the amount of aggressive behavior on the playground and in the classroom. BR has also retrained yard duty staff to exercise active yard duty and be able to intervene when they see the early signs of unsafe behavior. Yard duty aides have also been retrained on how to execute crosswalk duty as recommended by local law enforcement. BRS has implemented updated security measures as it pertains to access of unauthorized persons onto the school campus. For the safety of the students and staff, signs are posted throughout the school requiring all visitors to report to the office. Visitors are required to signing at the front office and parents/visitors are only allowed on campus with authorization and a visible name tag. There are signs posted on campus stating that all alcohol, tobacco, and drugs are prohibited on school campus.

This year, the Safety Plan was shared with the BRSA staff on Wednesday, November 7th, 2018. The Safety Plan was also shared with BRSA parents and community members on Tuesday, November 13th, 2018.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

^{*} Field Trips -- Parents help chaperone their children and their peers at all field trips offered through the school. Such field trips may include Perfect Attendance, Honor Roll, grade level specific educational field trips, Student Body field trips, and any others committees may deemed necessary.

Types of Services Funded (Fiscal Year 2017-18)

We have several programs and supplemental services available at Browning Road STEAM Academy:

^{** &}quot;Other" category is for multi-grade level classes.

^{*}One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

^{*} Supplemental Educational Services have been offered to students who are socially economically and academically disadvantaged, according to CFA and district and site test scores and/or by teacher recommendation at BRSA through Title I funds.

- * The After School Education and Safety (ASES) Program, now called CHAMPS (Collaborating Healthy Alternatives Merging Physical-activity and Support-strategies) is now being offered to all students.
- * The Family Resource Center FRC also offers various services to the community to help families with food, school uniforms, clothing, referral to outside agencies and resources, and help them to pay their bills, when eligible and funding permits.
- * Migrant also offers an after school program to eligible migrant students twice a week.
- * Tutoring will commence January, 2019 twice a week. Students will be selected to focus on computer-based, technological approaches to achieve intrinsic motivation in our struggling students. We will be using Next GEN Math, SPHERO, Vocabulary Tool Kit, SPRK, Lego Robotics, Multi Media Courses: Final Cut Studio Pro X, Adobe Work Shop, Lighting Editing Pro
